SECTIONS OF GROUPS WHICH ARE DESCRIBED BELOW**

**Discipleship**

Join a small group with a focus on spiritual growth and discipleship. This is a great place to grow in your faith and connect with others.

**Interest Groups**

Ranging from sports to cooking, find a group that interests you, to connect with others and make new friends.

**Life Stage**

These groups are based on different stages of life. Whether you're in middle school, a new mom, or a senior adult there's a group for you.

**Fellowship**

These groups provide sanctuary from the pressures and anxieties of life and facilitate the formation of new friendships. Fellowship groups are places where we can be revitalized and strengthened as we seek to reflect the love of Jesus Christ

**Support & Recovery**

Receive support and encouragement for life's struggles through City Groups like A New Day Now for addiction recovery, ESTHER - a Single Mother's Outreach

**Outreach & Missions**

In Matthew, after Christ's death and resurrection, He commanded the disciples to share the Gospel, the message of His redemption. Throughout the week groups meet around the city to reach out, help those in need, and spread the love of God
